RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Office Action mailed April 4, 2006, wherein a restriction requirement was issued by the Office. Applicants hereby elect Group I (claims 1-31, and 38-44), drawn to a method of reactivating a catalyst, classified in class 502, subclass 20, for examination without traverse.

Applicant notes an apparent typographical error on the Office Action Summary sheet, which states claims 1-10 are pending in the application, and claims 1-10 are subject to restriction and/or election requirement.

CONCLUSION

Should there be any issues outstanding, the Examiner is cordially invited to contact Applicants attorney by telephone to resolve any such issues in a timely manner.

RESPECTFULLY SUBMITTED,

By           /Stephen R. Christian/
